plus de souplesse.

THE 1990S ARE AN UNUSUAL TIME FOR THE AMERICAN ECONOMY. The economy is growing, but at a slower rate than in the 1980s. The economy is also facing a number of challenges, including a high level of unemployment, a large federal budget deficit, and a growing concern about the future of the environment. The economy is also facing a number of challenges, including a high level of unemployment, a large federal budget deficit, and a growing concern about the future of the environment.
